How to Use This List

The best way to use this list is to study it regularly. Try to learn a few new words each day, and review the words you've already learned. You can use

flashcards, practice answering GRE-style questions, or simply read through the list.

Here are a few tips for studying GRE words:

* **Break the list into smaller chunks.** Don't try to memorize the entire list at once. Divide it into smaller chunks, and focus on learning a few words at a time. * **Study the words regularly.** The best way to remember new words is to review them regularly. Try to study the words for at least 15 minutes each day. * **Use the words in context.** Don't just memorize the definitions of the words. Try to use the words in context, so you can see how they're used in real life.
