The Bible is a story of redemption, a story of God's plan to restore His fallen creation. And at the heart of this story is the Messiah, Jesus Christ. Jesus came to earth to save us from our sins and to bring us back into relationship with God. His life and ministry were a fulfillment of the Old Testament prophecies, and the Feasts of Israel provide a prophetic framework for understanding His work.

The Feasts of Israel are seven annual festivals that were commanded by God in the Old Testament. These feasts were to be observed by the Israelites as a way of remembering God's faithfulness and provision. But these feasts also had a deeper meaning: they were prophetic foreshadowings of the coming Messiah.

Each of the seven Feasts of Israel points to a specific aspect of Jesus Christ's life and ministry. Here is a brief overview of each feast and its Messianic significance:

## **Passover**

The Passover feast commemorates the Israelites' deliverance from slavery in Egypt. On the night of the Passover, the Israelites were instructed to sacrifice a lamb and to sprinkle its blood on the doorposts of their homes. The blood of the lamb protected the Israelites from the plague that killed all the firstborn sons in Egypt. Jesus Christ is the Lamb of God who was sacrificed for our sins. His blood protects us from the judgment of God and gives us eternal life.

## Unleavened Bread

The Feast of Unleavened Bread follows immediately after the Passover. During this feast, the Israelites were to eat unleavened bread, which is bread that has not been fermented. Unleavened bread represents purity and sinlessness. Jesus Christ is the unleavened bread of life. He is the sinless one who came to take away the sins of the world.

The Feast of Unleavened Bread represents the purity and sinlessness of Jesus Christ.

## Firstfruits

The Feast of Firstfruits was celebrated at the beginning of the barley harvest. The firstfruits were the firstfruits of the harvest, and they were offered to God as a sign of gratitude. Jesus Christ is the firstfruits of the resurrection. He is the first one to be raised from the dead, and He guarantees that all who believe in Him will also be resurrected.

## Pentecost

The Feast of Pentecost was celebrated fifty days after the Feast of Firstfruits. This feast commemorates the giving of the Law to Moses on Mount Sinai. Jesus Christ is the fulfillment of the Law. He is the one who came to fulfill the Law and to give us the Holy Spirit.

The Feast of Pentecost foreshadowed the coming of the Holy Spirit on the Day of Pentecost.

## **Trumpets**

The Feast of Trumpets is the first of the fall feasts. This feast is a call to repentance and preparation. The sound of the trumpet is a reminder that the Day of the Lord is coming. Jesus Christ is the trumpet call to repentance. He is the one who calls us to turn away from our sins and to follow Him.

## **Atonement**

The Feast of Atonement is the holiest day of the Jewish year. On this day, the high priest would offer sacrifices to atone for the sins of the people. Jesus Christ is the ultimate sacrifice for sin. He is the one who shed His blood to atone for our sins and to make us right with God.

The Feast of Atonement foreshadowed the sacrifice of Jesus Christ for our sins.

## **Tabernacles**

The Feast of Tabernacles is the last of the fall feasts. This feast is a celebration of God's provision and protection. The Israelites lived in temporary shelters during this feast as a reminder of their time spent in the wilderness. Jesus Christ is the true tabernacle of God. He is the one who dwells with us and provides us with all our needs.

The Feasts of Israel are a prophetic journey through time. They point to the coming of the Messiah, Jesus Christ, and they reveal His work of redemption. As we celebrate these feasts, let us remember the great love of God for us and the sacrifice that Jesus Christ made for our sins.
